

TRUCKWORX

Truckworx, Inc. Acquires Carl Carson Truck Center

BIRMINGHAM, Ala. September 10, 2015 – Alabama’s long-time Kenworth truck dealer, Truckworx recently acquired Carl Carson Truck Center in Birmingham, Ala. As of September 1, the business is operating as Truckworx Body Shop.

Will Bruser, President of Truckworx, Inc. says “We have recommended Carl Carson’s body shop for many years because the company has a reputation in our industry for doing quality body work and being easy to do business with. We are excited to now offer body repair services in house to our customers in a more seamless manner. We are thrilled to have the Carl Carson team join the Truckworx family!” The acquisition comes as Mr. Carson retires from the paint and body business after owning and operating Carl Carson Truck Center for 25 years.

Seventy-foot downdrafted heated paint booth at Truckworx Body Shop

Truckworx, Inc. acquires Carl Carson Truck Center and will be operating as Truckworx Body Shop. From left, Carl Carson, previous owner of Carl Carson Truck Center and Will Bruser, president of Truckworx, Inc. in Birmingham, Ala.

The facility houses 27,000 square feet of shop space with specialized equipment including a 70 ft. downdraft heated paint booth and computerized paint matching. Truckworx Body Shop has the ability to service all make and model trucks, buses, van bodies, trailers, emergency equipment and

construction equipment. The company also offers pickup, delivery and towing services.

Truckworx Body Shop is located at 4600 First Avenue North, Birmingham, Ala. 35222. Business hours are from 8 a.m. to 5 p.m. Monday through Friday. The shop’s general manager is John Skinner, the body shop manager is Eddie Cole, and the office manager is Jane Smith. For more information on Truckworx Body Shop, contact the office at (205) 592-9966.

Truckworx was founded in 1978 in Birmingham, Ala. and has been locally owned and operated for 37 years. The company’s founder, Bob Mitchell, is still CEO today. Truckworx employs over 325 people and has 9 facilities throughout Alabama and Mississippi. In Alabama, Truckworx operates facilities in Birmingham, Huntsville, Dothan, Montgomery, Mobile, and Thomasville. The company also has locations in Jackson and McComb, Mississippi. Equipment lines include Kenworth Trucks, Hino Trucks, Isuzu Commercial Trucks, Blue Bird Bus and eight heavy duty trailer lines. For more information on Truckworx visit www.truckworx.com.
